SKILLS

TECHNICAL SKILLS

Languages: Java, C, C++, JavaScript

Web Technologies: HTML, CSS

Tools: Git, GitHub, VS Code

Concepts: Data Structures, OOP

Familiar with:

Ai tools • LLM's • Visual Code • GitHub • DSA • OOPS concepts

SOFT SKILLS

Strong

Leadership • Resourcefulness • Public Speaking • Hosting

LANGUAGES

TELUGU ENGLISH HINDI

Native proficiency: Telugu

Bilingual Communication : Hindi-English

Working proficiency: English

TECHNICAL PROJECTS

EXPENSE - TRACKER

2026

- Developed a Java Swing GUI application to add, delete, and track daily expenses with automatic total calculation.

PERSONAL PORTFOLIO

2025

- Designed and developed a responsive personal portfolio website using HTML, CSS, and JavaScript.
- Showcases projects, skills, and contact information with a clean UI and mobile-friendly layout.

LEARNING MANAGEMENT AND ACADEMIC AUTOMATION SYSTEM

2025

- Designed and deployed a full-stack, career-aligned Learning Management System. The platform features an AI Technical Recruiter providing real-time voice-interactive mock interviews with automated webcam proctoring, alongside a decoupled Java Spring Boot microservice for compiling high-fidelity LaTeX resumes. Optimized database workflows using PostgreSQL with Drizzle ORM and accelerated page transitions through TanStack Query caching, delivering a highly scalable, secure, and low-latency student career hub.

CERTIFICATIONS

- INFOSYS : DBMS , C++ , Python ,
- ORACLE ACADEMY : Database foundation , Java
- COURSERA : Quantum Computing , Prompt AI, Agile Software Engineering

HOBBIES

- Content Creation
- Dancing
- Poetry / Reading Books

AWARDS

- Best Manager Award (Veda2k25)
- Represented Youth Parliament at District Level
- Participated in Hackathons, Seminars
